MILWAUKEE RADIO AMATEURS CLUB has served Wisconsin amateurs for over 66 years and now offers you frequent and convenient opportunities to obtain or upgrade your FCC Amateur Radio License.

VOLUNTEER EXAMINER PROGRAM — MRAC Milwaukee Metro Area Core Group - Our amateur radio license tests are open to all interested persons. On Saturday morning, October 20th, we conducted our first tests and upgraded a number of amateurs.

It has become apparent that we, like other core groups, will have to schedule persons wanting to take the exams, so that we can avoid overloads, and if necessary, we can cancel an exam.

To this end we will require that persons desiring to take a test, file with us as follows:

Please file on a Postal System post card (13¢) mailed to:  
Harry A. Cieszki, KD9AJ, MRAC Sec'y  
3760 South 43rd Street #21  
Milwaukee, WI 53220

PLEASE NO PHONE CALLS

PLEASE PRINT On the reverse side of the card list the grade of license you are applying for, your name, address, including Zip Code, and your telephone number. PLEASE PRINT

As the cards are received they will be numbered sequentially, and if we receive more applicants than we can handle for a given test date, you will be notified and must file a new post card for another of the scheduled dates. This is a 'first come, first served' system. If for any reason we have to cancel a test session, you will be notified and should file again for one of the scheduled dates.

On your test date you must appear at the appointed starting hour, or not more than 1/2 hour after that time, so that we can process your exam that day.

When you appear for a test please be sure you have with you a photocopy of your license and four dollars for the exam fee. We will supply you with the 610 form and assist you in properly filling it out.

Currently we have license exams scheduled as follows:

Wednesday, December 12, 1984, 7:00 PM

Saturday, December 15, 1984, 9:00 AM

Saturday, February 9, 1985 9:00 AM

All of the above exams will be conducted in Room 256 at Wauwatosa East High School, 74th & Milwaukee Avenue. Use east (74th Street) entrance
